

45° LOCK MITER BIT (Z=2) SHANK 12MM - Ø44,5MM

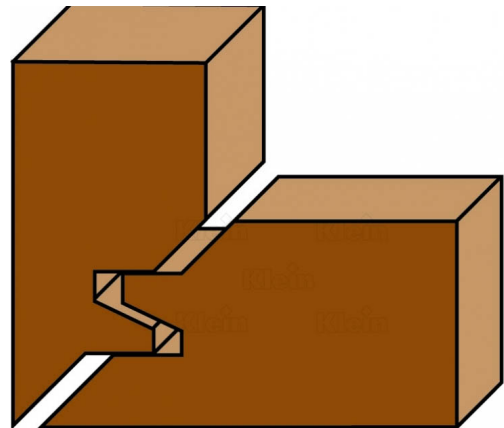

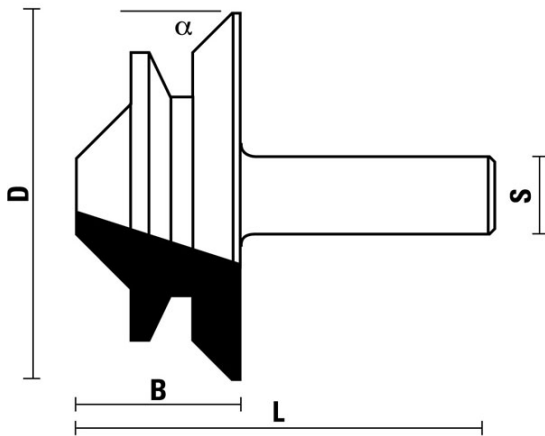

€136,00 (excl. VAT)

Klein® lock miter bits make perfect 45° locking miter joints with an easy process: the first board has to be run vertically while the second piece horizontally. If you want a simple joint, simply cut both pieces horizontally.

Thanks to the cutting edges in high quality carbide metal, you can use this bit effortlessly on most types of wood. Pass multiple times when removing large quantities of material.
