

## AIR FLUX DUSTY 6000AF DUST EXTRACTOR - 230V 3HP

**€599,00 (excl. VAT)**

The Dusty 6000AF dust extractor has two fibre filter bags at the top that stops fine dust particles. Optionally there is also a Canister filter cartridge available that further purifies the air up to 0.5µm. This dust collector is equipped with a 3 HP induction motor with alu protection cap delivering an air flow of 3900m<sup>3</sup>/hour. Thanks to the wheeled base, the vacuum can easily be used throughout the entire workshop.

The turbine is equipped with a steel propeller and has a steel exhaust (1x150mm) with a reduction in PVC to 3x100mm. The Dusty 6000AF dust extractor is standard equipped with a quick-clip system to quickly and easily change the waste bags.

**SKU:** AF-6000S
