

AIR FLUX DUSTY AF 1100/45 DUST EXTRACTOR - 1100 WATT

€164,46 (excl. VAT)

Compact dust extractor specifically designed for use in woodworking (sawdust, shavings and small shavings) in small workshops. Thanks to the large diameter of the extraction hose, this air extraction always maintains its air speed where conventional hoovers lose their speed. The bucket collector has a steel waste container with quick release closure and a capacity of 45 litres. Double filtration up to 5µm. Multi adaptor available optionally.

SKU: AF-1100/45
