

AIR FLUX DUSTY AF-1500MDC METAL DUST COLLECTOR - 230V 2HP

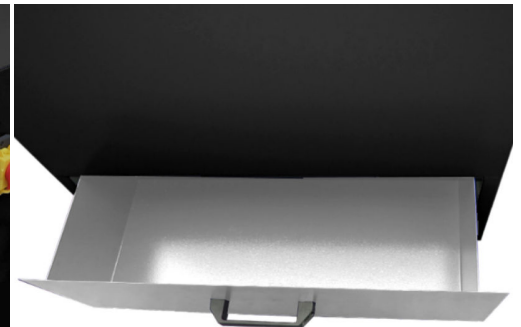

€785,12 (excl. VAT)

The Air Flux Dusty AF-1500MDC is a metal dust collector with powerful 230V or 400V, 2HP induction motor. The steel casing, combined with the 300mm blade impeller are able to deliver a reliable and efficient metal dust collecting. The dust is collected in a removable dust bin of 50L. The Dusty AF-1500MDC has two 100mm inlets and 5µm galvanized air filters

The Air Flux Dusty AF-1500MDC has four wheels (of which two are lockable) for optimal mobility throughout the entire workshop. Suited for metal sanding machines, foot grinders, bevelling machine and other metal working machines.

SKU: AF-1500MDCS
