

AIR FLUX DUSTY AF-5000-4 DUST EXTRACTOR - 400V 7,5PK

€1 .475,21 (excl. VAT)

The Airflux Dusty AF-5000-4 is a compact dust collector with strong air flow, high capacity and low noise levels. Thanks to these qualities the Dusty AF-5000-3 is ideally suited to be used in small workshops. The powerful, 7,5HP motor guarantees a high and constant air flow, even after prolonged time of use. The patented, curved blade impeller further heighthens the air flow capacity.

SKU: AF-50004T

GALERIJAFBEELDINGEN

The Airflux Dusty AF-5000-4 is a compact dust collector with strong air flow, high capacity and low noise levels. Thanks to these qualities the Dusty AF-5000-3 is ideally suited to be used in small workshops. The powerful, 7,5HP motor guarantees a high and constant air flow, even after prolonged time of use. The patented, curved blade impeller further heightens the air flow capacity.

PRODUCT INFORMATION

- Silent induction motor
- Steel blade impeller
 - Fibre filterbag

- Easy to swap waste bags thanks to quick-release system
 - Magnetic safety switch
 - Solid construction
- Optional: Canister filter cartridge (up to 0,5µm)

DESCRIPTION
