

BANDSAW BLADE TEMPERED STEEL 3607MM (3 TPI) WIDTH 25MM - FOR TT500X

€53,72 (excl. VAT)

Bandsaw blade with length 3607mm for use on the TT500X band saw machine from Tendotools. This saw blade has 3 TPI (teeth per inch) and has a width of 25mm. This bandsaw blade in tempered steel "Flexback" is very suitable for multipurpose sawing. Use this saw ribbon for both wood and plastics. The teeth of the saw blade were given an additional heat treatment for increased hardness. This keeps the band very supple and increases your cutting comfort thanks to the hardness of the teeth.
