

BANDSAW BLADE TEMPERED STEEL 4670MM (4 TPI) WIDTH 20MM - FOR TT50BS OR TT61BS

€53,71 (excl. VAT)

Bandsaw blade with length 4670mm for use on the TT50BS or TT61BS band saw machine from Tendotools. This saw blade has 4 TPI (teeth per inch) and has a width of 20mm. This bandsaw blade in tempered steel "Flexback" is very suitable for multipurpose sawing. Use this saw ribbon for both wood and plastics. The teeth of the saw blade were given an additional heat treatment for increased hardness. This keeps the band very supple and increases your cutting comfort thanks to the hardness of the teeth.
