

BELMASH - TSB2000 TABLE SAW

STILLE INDUCTIEMOTOR

2.7 PK

€574,38 (excl. VAT)

The TSB2000 is a compact and portable saw table with a cutting capacity of 0 - 70 mm. With a saw blade tilted 45°, this still has 45 mm cutting height. The machine is powered by a powerful 2.7 HP induction motor. The induction motor makes this compact table saw a lot more powerful and quieter than other table saws. An integrated T-slot in the work table is provided with a steel miter gauge. The machine is equipped with an aluminum tilting rip fence that clamps both the front and the back. There is a connection for extraction at the top and bottom. All size markings are provided on clear and adjustable steel rulers.
