

BELMASH - UNIVERSAL SAW BLADE Ø250MM - BORE 30MM 40T

€41,32 (excl. VAT)

Universal left-right toothed saw blade with 40 teeth suitable for sawing different types of wood, laminated materials, MDF, double-sided veneer boards or chipboards in stack.

SKU: BEL-BMZ-250-40

Universal left-right toothed saw blade with 40 teeth suitable for sawing different types of wood, laminated materials, MDF, double-sided veneer boards or chipboards in stack. For panel sizing machines and table saws. Make sure to use the right amount of teeth to achieve optimal results of your project. A low number of teeth is suited for fast-paced and rough sawing. A high number of teeth calls for a lower operating speed but

guarantees a clean cut.

PRODUCT INFORMATION

- 40 teeth
- Fine cut HW saw blade
- Alternate top bevel teeth
- For soft or hard wood
- For laminated materials or double sided veneer panels
- For particle board in stack
