

### BOMB OF THE WEEK: TABLETOP SANDER TT915

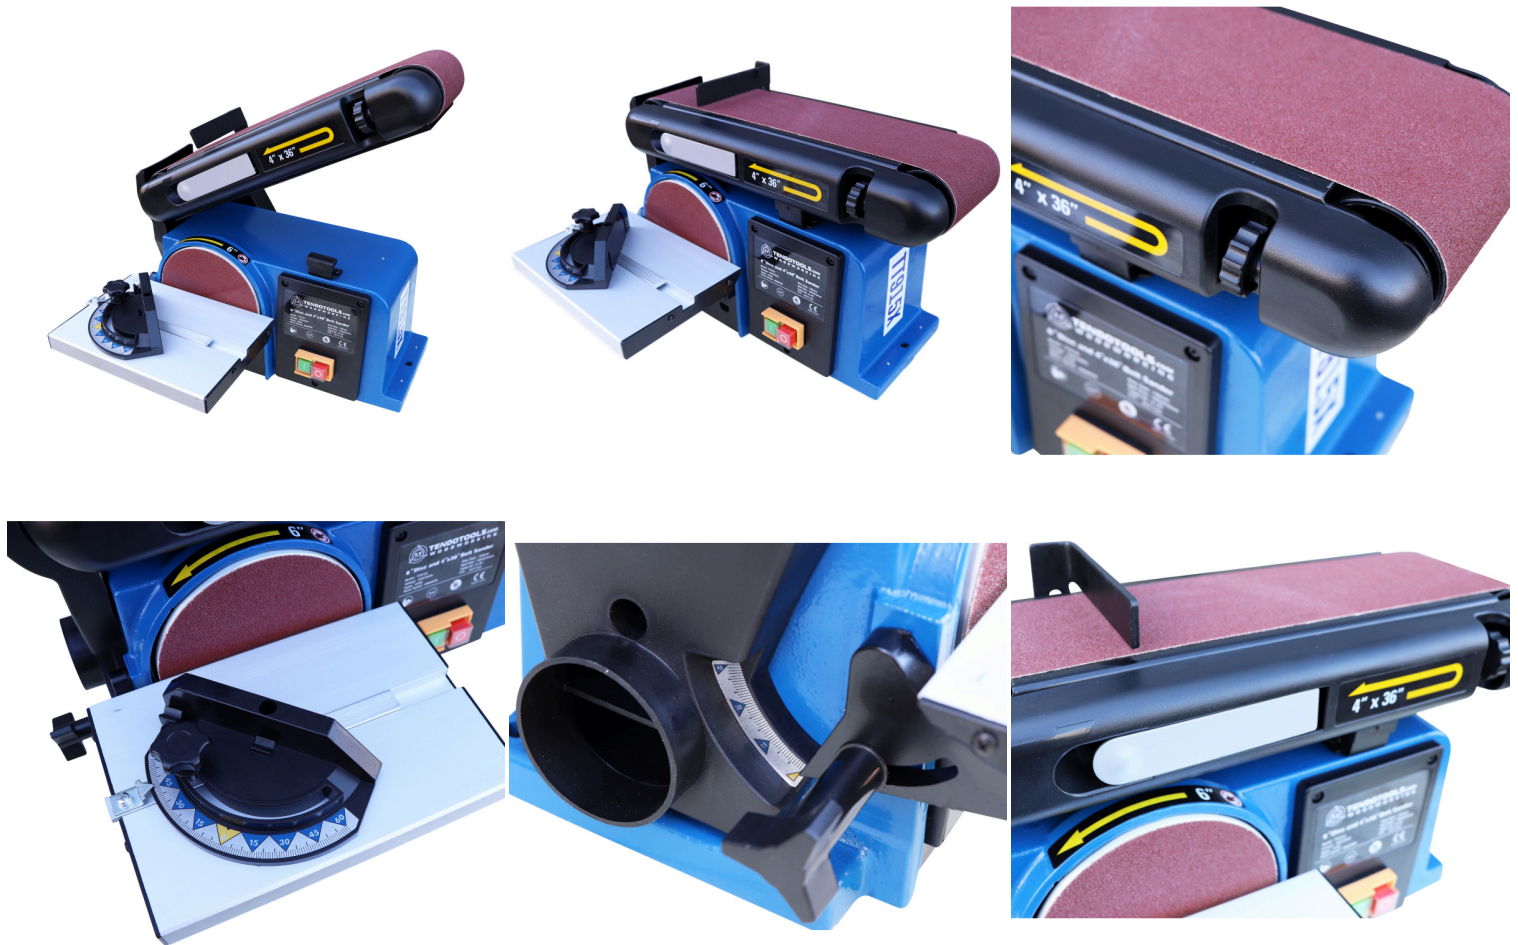

~~€243,80~~ **€181,82** (excl. VAT)

**BOMB OF THE WEEK! 25 % DISCOUNT + FREE DELIVERY** The TT915 sander can be used, among other things, for deburring and sanding surfaces and for precise contour finishing. This compact tabletop model is easy to move, yet very stable thanks to its cast-iron base.

**SKU:** BVDW-0SA915S

**GALERIJAFBEELDINGEN**

The TT915 sander can be used, among other things, for deburring and sanding surfaces and accurate finishing of contours. This compact tabletop model is easy to move, yet very stable thanks to its cast-iron base. The sanding belt can be used either vertically or horizontally or at a specific angle. The large aluminum table can be used inclined for both the sanding belt and disc up to 45°. The work table is supported on both sides for precision use. Equipped with a D handle for easy transport. Quick-release sanding belt system for quick change, convenient control knob for balancing the belt. Dust extraction outlet 60 mm. This is the universal solution for modelers and hobbyists, for all shapes and materials. This sander comes standard with an 80-grit sanding belt and disc. For the belt, grit 40, 60, 100, 120 and 150 are also available. For the disc, grit 60, 100, 120, 150 and 220 are also available.
