

CORE BOX BIT R9,5 (Z=2) SHANK 12MM - Ø19MM

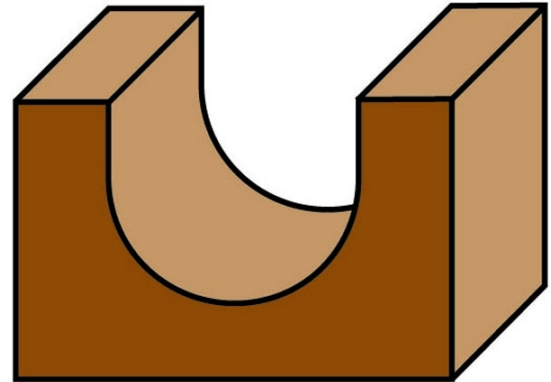

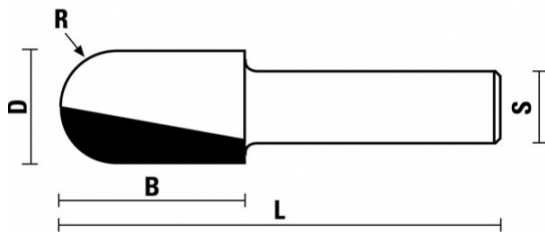

€66,50 (excl. VAT)

Thanks to these router bits you can cut a half-round groove on every kind of wood. Easily make decorative grooves to break up large vertical surfaces or to decorate furniture. Finally, the grooves also provide a better grip. For example for handles or drawers. Pass multiple times when removing large quantities of material.
