

CUSTOM-MADE TEMPLATE FOR VIRUTEX FR129VB

€35,00 (excl. VAT)

Didn't find the right template for your hinge? No worries, in addition to our standard range of templates for Argenta hinges, we offer the possibility of custom-made templates in collaboration with Virutex. For hinges of other brands, as well as locks or locking plates, you can come to us for a tailor-made solution.

The templates are suitable for use on the Virutex FR129VB router.

Please note: we always need a sample of your hinge, lock, locking plate,... in order to be able to cut the template correctly.
