

4-PIECE DIAMOND SHARPENING SET

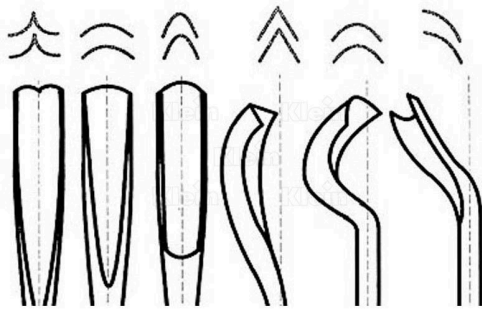

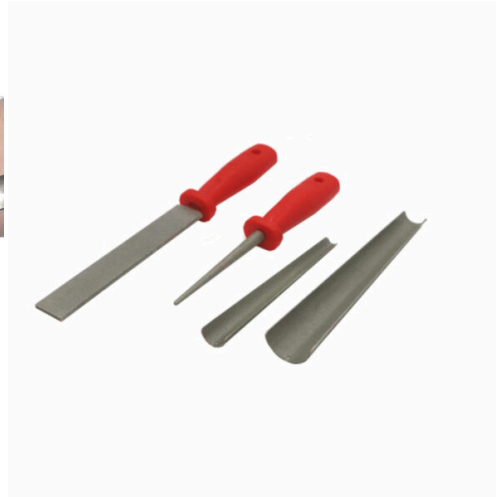

€70,24 (excl. VAT)

This 4-piece sharpening set will make your chisels super-sharp again. The sharpeners are fitted with a monocrystalline diamond coating and suitable for all types of chisels.

SKU: TEN-480050

GALERIJAFBEELDINGEN

This 4-piece sharpening set will make your chisels super-sharp again.

The sharpeners are suitable for all types of chisels: straight, concave, convex and with any radius. Because they have a monocrystalline diamond coating, they offer superior sharpening quality and minimal wear.

The box contains the following sharpeners: flat, round, narrow cone and wide cone.
