

DISC SANDER PDE446L FOR METAL AND MARBLE

€361,09 (excl. VAT)

This large disc sander (Ø173mm) is specially designed for polishing metal sheet metal or marble. By means of a powerful motor (700W), this sander will not lose power even during prolonged use. The ergonomic design ensures a perfect grip and comfortable working. The well-placed handles and non-slip surfaces give you excellent grip and control at all times. Standard equipped with a rubber disc and a sanding disc. Equipped with electronic speed control.
