

## ELECTRIC LONG HAND PLANER CE24E - 445MM

**€529,12 (excl. VAT)**

This Virutex electric hand planer is equipped with a base plate with a length of 442 mm. The singlepiece housing is made entirely of aluminium. It is therefore a very sturdy and robust tool that is at the same time lightweight and easy to handle. Perfectly suited for heavy-duty work with the highest quality standards. With a power output of 1,200 W, the CE242E can carry out the toughest and most demanding tasks. Exhaust installed on the right side. Standard delivery in a handy PVC case with a set of reversible knives.

Optionally available: a guide for even more precise work and a base for stationary use of the CE24E.

**SKU:** VIR-CE24E
