

FLUSH TRIM BIT WITH BALL BEARING (Z=2) SHANK 12MM - Ø12,7MM

€26,00 - €40,30 (excl. VAT)

These straight router bits are suitable for smooth and well-finished edges on laminated and veneered panels. The ball bearing, having the same diameter of the cutters, trims any overlap leaving a flat and smooth edge. Thanks to the cutting edges in high quality carbide metal, you can use this bit effortlessly on most types of wood.

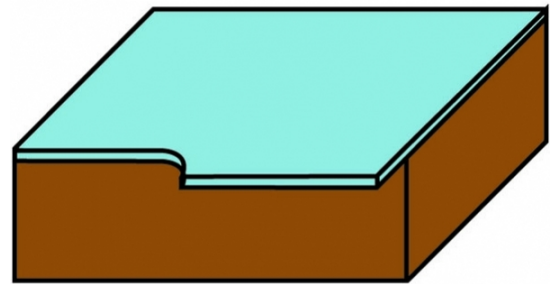

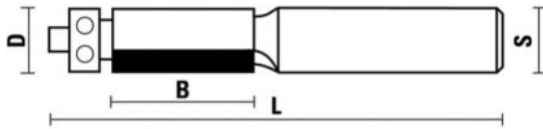

Available in different cutting lengths.
