

GRÖBE ONE WAY TT50E 230V - SHREDDER + MULCHER

€909,09 (excl. VAT)

This shredder and mulcher excels thanks to three advantages: Very compact storage, super strong in its class and affordable! The One Way 50E effortlessly shreds all your garden waste: branches, twigs, trimmings, bark and leaves into fine mulch. Suitable for all organic material with a maximum diameter of 50mm. With the help of the heavy impact chisels and 6 double cutting hammers, it can also effortlessly handle larger branches. The Gröbe One Way has an additional advantage over classic shredders. This machine has only one inlet that will handle all garden waste up to the maximum diameter just as easily. So you no longer need to sort your garden waste in advance. Easily movable and suitable for all terrains.
