

## HORIZONTAL AND VERTICAL SANDER TT2010

**€950,41 (excl. VAT)**

The TT2010 is a versatile sander with a 2010 x 153 mm sanding belt, a contour table for circular sanding and an extraction outlet.

**SKU:** 0SA2010X2

**GALERIJAFBEELDINGEN**

The TT2010 is a compact, versatile sander. It is equipped with a 2010 x 153 mm sanding belt, a contour table for circular sanding and an extraction outlet. The belt can be placed both horizontally and vertically. The aluminum work tables can both be tilted at an angle of up to 45°. The unbeatable price-to-benefit ratio makes this the ideal model for craftsmen. The graphite coating on the sanding table increases the sliding capacity of the sanding belt

It comes standard with a screen for horizontal sanding, a mitre fence and a quick-release system that allows you to quickly change the sanding belt. A base is also included as standard.

The sanding belt is available in grit 60, 80, 100 en 150.
