

KREG BENCH CLAMP BASE

€26,99 (excl. VAT)

Equip any work surface with the power and convenience of Kreg® Bench Clamps and build a versatile clamping station wherever you want it. The bench clamp base is the perfect complement to the Kreg® mobile work centre. So you can get more out of any worktop with 19 mm or 20 mm holes. Or drill a hole in your worktop to attach the bench clamp foot and move it around or remove it as easily when not in use.

SKU: KRE-KBCBA
