

KREG BENCH CLAMP WITH HEAVY DUTY CLAMP PLATE

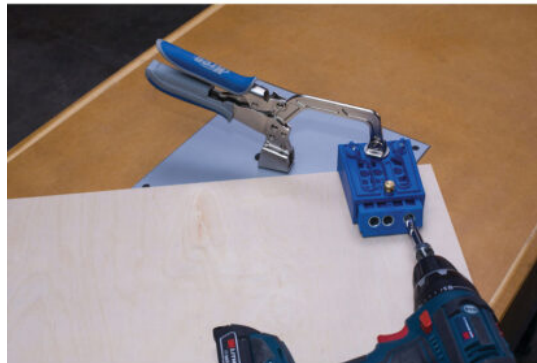

€99,44 (excl. VAT)

This handy kit consists of a 76 mm Kreg® bench clamp and a bench clamp foot. The clamp is equipped with Kreg Automaxx® technology, so all you have to do is attach the base to your work surface, apply the clamp and press the handles of the clamp. The clamp adapts to the thickness of the workpiece, up to a maximum of 89 mm.
