

## KREG STRAIGHT EDGE GUIDE EXTENSION 610MM

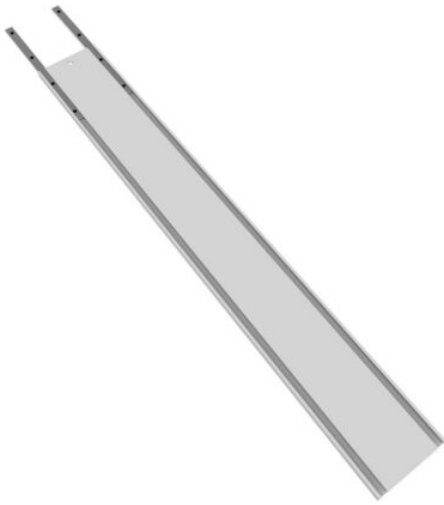

**€29,99 (excl. VAT)**

The Kreg KMA4600 Straight Edge Guide Extension is a 610mm (24") extension for the Kreg Straight Edge Guide fence. With this extension, in combination with the Kreg Straight Edge Guide, you can saw neat and precise sheet material up to 1828 mm (72")!

Whether you want to get started with your circular saw, jigsaw or edge mill, with the Kreg Straight Edge Guide fence and extension you create a precise and accurate result. This Kreg stop ruler extension is supplied with connectors to connect the extension to the ruler. The Kreg KMA4600 is made of anodized aluminum. This means that the extension lasts a long time, even with intensive use.
