

KREG TOP TRAK 610 MM

€40,31 (excl. VAT)

The Kreg Top Trak is an aluminium track that can be easily attached to an existing fence. Due to the L-shape, the track fits well to the existing fence. Drill Ø 3 mm holes on the back and attach with the screws provided. Length 610 mm. Suitable for use with 6 and 6.3 mm bolts.

For use as an extension for the KMS8000 precision cutting rail from Kreg.
Also available in 1219 mm length.

SKU: KRE-KMS7712
