

KREG UNIVERSAL CLAMP ADAPTER

€5,99 (excl. VAT)

The universal clamping adapter holds your drilling jig from the 300 collection in place. It fits into the drill guide and is compatible with any Kreg® clamp and most trigger clamps.

SKU: KRE-KPHA150

When working with the universal clamping adapter, it is even easier to hold your drilling jig from the 300 collection in place. The universal clamp adapter fits into the drill guide and is compatible with any Kreg® clamp and most trigger clamps. The adapter fits into the clamp, so that the mould is firmly attached and can still be moved with one hand

PRODUCT INFORMATION

- Fits all Pocket-Holes of the 300 collection
- Compatible with all Kreg clamps

DESCRIPTION
