KREG WOOD PROJECT CLAMP WITH AUTOMAXX 76 MM

€43,99 (excl. VAT)

The metal quick-release clamp of Kreg has a clamping capacity of 76 mm. The clamp has large clamping surfaces to prevent surface damage. The clamp automatically adapts to any material thickness and maintains a constant clamping pressure thanks to the Automaxx technology in the handle. Compatible with Kreg Jig®, Kreg drilling guide foot and Kreg Jig® R3.

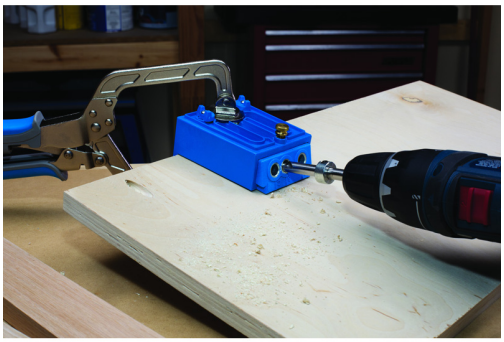

SKU: KRE-KHC3-INT
