

MINI ORBITAL SANDER LRE84H WITH ELECTRONIC CONTROL

€185,49 (excl. VAT)

Identical to model LRE84H but with electronic speed control. Lightweight and powerful mini orbital sander for polishing and finishing your workpieces. The ergonomic design ensures a perfect grip and comfortable working. All the controls are easily accessible while working. Standard delivery with Delta attachment for sanding hard-to-reach areas such as corners or blinds. The Delta piece is provided with velcro at both top and bottom to attach sandpaper. Optionally, a round sanding plate is also available for this machine.

Equipped with an integrated dust extractor and dust bag.
