

MINI ROTARY ORBITAL SANDER RTE84H

€158,28 (excl. VAT)

Lightweight and powerful mini orbital sander for high-quality sanding work. This machine combines a double movement, the sanding pad moves both orbital and rotary orbital. Thanks to the double movement during sanding, you always get a smooth surface without scratching your workpiece. The ergonomic design ensures a perfect grip and comfortable working. All the controls are easily accessible while working. Equipped with an integrated dust extractor and dust bag. With electronic speed control and brake system for the sanding pad. Standard delivered with a sanding pad with velcro.
