

OUTLET | DRILL & SCREWDRIVER (WITH BEATER FUNCTION)

~~€120,00~~ €80,00 (excl. VAT)

The Sparky cordless drill and screwdriver is a must-have for the handyman. This powerful pneumatic drill can drill in two directions (left and right). To increase the ease of use, the machine was equipped with a battery (charging time, 1 hour). The ergonomic handle with soft grip and the Quick-stop keep work safe yet efficient. Drill bits up to 10 mm can be inserted into the quick-release chuck. Finally, it can also be used as a grinding and polishing machine.

SKU: S-BUR 15E
