OUTLET | VIRUTEX SANDER LB31EA

~~€469,91~~ €352,43 (excl. VAT)

DEMO MODEL

Powerful belt sander for levelling and rough work. The LB31EA sander is very stable and suitable for two-handed use. With the help of the large sanding surface, this machine achieves a high efficiency. The high stability in turn ensures a beautiful and scratch-free finish for your workpiece. Equipped with an integrated dust extractor and dust bag to allow the user to work comfortably and cleanly.

Thanks to its larger sanding area (175x100mm) Virutex distinguishes itself from all other belt sanders on the market. The larger surface area increases stability and the machine always remains perfectly balanced & flat on your workpiece.

Also available with connection for dust extraction as model LB31E.

SKU: VIR-LB31EA-OUTLET

GALERIJAFBEELDINGEN

Powerful belt sander for levelling and rough work. The LB31EA sander is very stable and suitable for two-handed use. With the help of the large sanding surface, this machine achieves a high efficiency. The high stability in turn ensures a beautiful and scratch-free finish for your workpiece. The machine is equipped with stoppers in high quality carbide (widia) to prevent wear and tear on the housing. Equipped with an integrated dust extractor and dust bag to allow the user to work comfortably and cleanly. Several sanding belts with different grit sizes are optionally available.

Thanks to its larger sanding area (175x100mm) Virutex distinguishes itself from all other belt sanders on the market. The larger surface area increases stability and the machine always remains perfectly balanced & flat on your workpiece.
