L=2150MM**

~~€2 .561,98~~ €1 .756,20 (excl. VAT)

Showroommodel

Heavy duty massif beech workbench with a surface of 120mm thickness. The ideal workbench for the professional woodworker or for your workplace at home. The workbench is equipped standard with two cast-iron, double spindle vices. This double spindle ensures that the vice is always tightened accurately and evenly. The entire workbench is already oiled upon delivery. The package includes a pair of professional dural bench dogs (Ø19mm). Fixed working height of 900mm. Tailor-made storage cabinets for mounting in the underframe available separately.

SKU: OUTLET-PIN-PROFII2000/19
