

PIHER - DUST-FREE KIT WITH MAGNETIC DOOR

€71,87 (excl. VAT)

This magnetic door has been specially developed to easily separate partitions during renovation or construction work.

This way you keep other connecting rooms dust-free. You don't need hands to open or close the door, the magnetic door itself does that.

The door has a height of 200cm.

Includes two multiclamps and 4 metal slats for mounting the door.

Exclusive telescopic supports and plastic seal.

SKU: PIH-34110
