

RAISED PANEL BIT 15° (Z=2) SHANK 12MM - Ø86MM

€139,90 (excl. VAT)

This horizontal raised panel bit is perfect for manufacturing cabinet doors or other furniture. The router bit has a large diameter but, thanks to a perfect balance, will always work smoothly without vibration problems.

Equipped with a ball bearing for easier work. Thanks to the cutting edges in high quality carbide metal, you can use this bit effortlessly on most types of wood. We recommend passing several times to obtain a perfect result.
