

ROUTER BIT FOR VIRUTEX FC116U - Ø16-30MM

€35,80 (excl. VAT)

Replaceable milling head for use with the Virutex FC116U lock mortiser. The bits all fit easily on the same holder and can therefore be replaced quickly. Available in several diameters between 16mm and 30mm.

The router bit with diameter Ø16mm is also supplied as standard with the FC116U lock mortiser.
