

SAW BLADE FOR SANDWICH PANELS Ø550MM - BORE 40MM

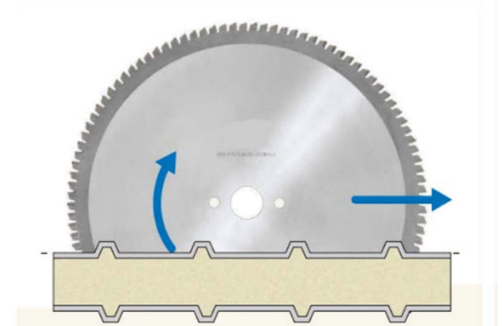

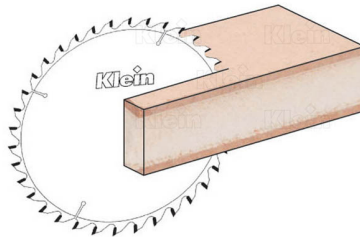

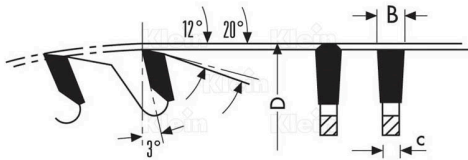

€352,00 (excl. VAT)

Saw blade with 140 teeth

Saw blade with FZ/TR triple chip teeth for the cutting of sandwich panels. Make sure to use the right amount of teeth to achieve optimal results of your project. A low number of teeth is suited for fast-paced and rough sawing. A high number of teeth such as this blade calls for a lower operating speed but guarantees a clean cut. Available with different number of teeth.
