

BANDSAW BLADE TEMPERED STEEL (6 TPI - 1710 MM) - FOR PBS290

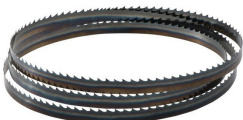

€33,05 (excl. VAT)

Saw ribbon with length 1710 mm for use on the PBS290 bandsaw machine from Tendotools. This saw blade has 6 TPI (teeth per inch) and has a width of 6, 10, 13, 16 or 20 mm. This bandsaw blade in tempered Flexback steel is very suitable for multipurpose sawing. Use this saw ribbon for both wood and plastics. The teeth of the saw blade were given an additional heat treatment for increased hardness. This keeps the band very supple and increases your cutting comfort thanks to the hardness of the teeth.
