

### SCROLL SAW TT406E - 230V

**€161,16 (excl. VAT)**

The scroll saw TT406E is a compact saw with parallel action and different speeds. Use this scroll saw for a wide range of applications in fine detail sawing. Suitable for solid wood as well as for sheet metal or even non-ferrous metals. Indicated to use the higher speed of the machine for soft wood. The lower speed is perfect for solid wood, harder plastics and soft metals. The worktop can be mitered and has a translucent middle surface. The saw is equipped with an air blower to blow away the dust while working. It is possible to mount saw ribbons both with and without a pin on this machine.
