

SLIDING TABLE ST1400 BLACK

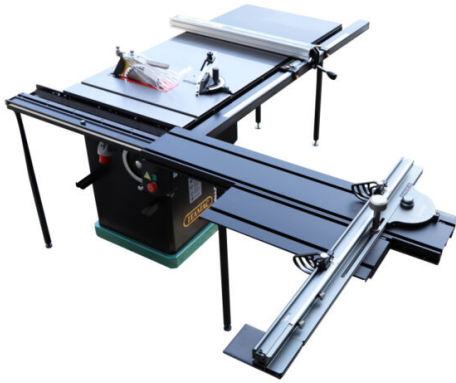

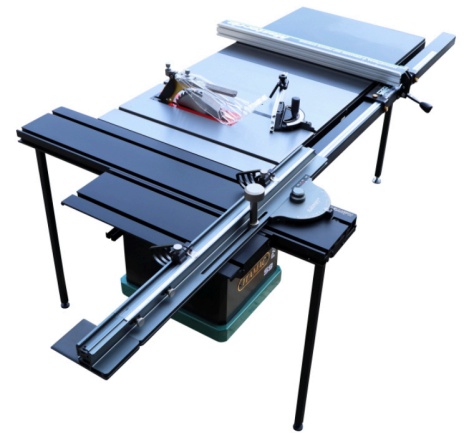

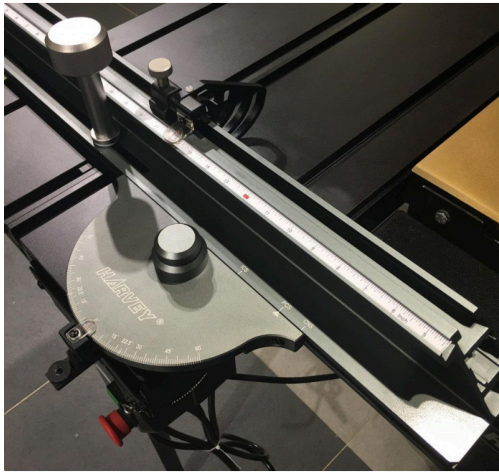

€1 .045,45 (excl. VAT)

The Harvey ST1400 sliding table can be easily installed on most saw tables, milling machines, etc. to increase capacity enormously. This nice addition to your saw table features a telescopic guide with an adjustable stop and an industrial sliding system with linear guide mechanism for extremely accurate results. By using the extension you can saw workpieces up to 1220mm. The easily positioned fence can also be angled at 45 ° using the built-in miter gauge.
