

TABLE SAW HARVEY ALPHA HW110S-36P - 36" (910 MM)

€4 .370,00 (excl. VAT)

The latest Harvey sawing machine has arrived in Europe! The Harvey Alpha. This machine has a new even smarter design, supplied as standard with the superb, accurate miter guide, the Harvey Miter Gauge. worth €699 (excluding VAT).

Harvey Alpha table saws have already proven to be one of the highest quality saw tables around the world with over 30,000 satisfied customers. The table saws are equipped with state-of-art design and engineering, heavy-duty chassis and powerful drive system. Radiant looks and finish, exceptional accuracy and stability, smooth operation and user-friendly features. This series includes a classic 3PK left-tilting table saw with advanced splitting wedge changing system or a 5.5PK heavy duty dovetail housing table saw for industrial cuts. All these models are designed for use with Dado blading (adjustable groove saw blades for, among other things, cutting grooves).
