

WOODEN WORKBENCH HOME SERIES FLEX WITH TWO VICES - L=1650MM

€896,69 (excl. VAT)

Heavy-duty workbench with a massif beech work surface of 40mm thickness. Due to its size and construction it is suitable for every home workshop, assembly workshop and locksmith shop. The workbench comes standard equipped with one vice for maximum comfort and easy working. The work surface is already oiled and rests on steel powder-coated legs. The package includes a pair of professional dural bench dogs (Ø19mm). The Home Series Flex workbench is adjustable in height between 740mm-1040mm. Also available with fixed working height (850mm) as Home Series Fix.
