

WOODEN WORKBENCH PROFII II SERIES WITH TWO DOUBLE SPINDLE VICES - L=2650MM

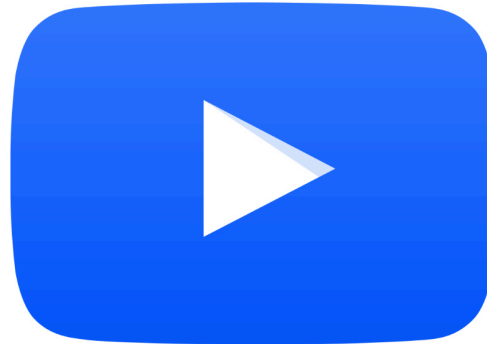

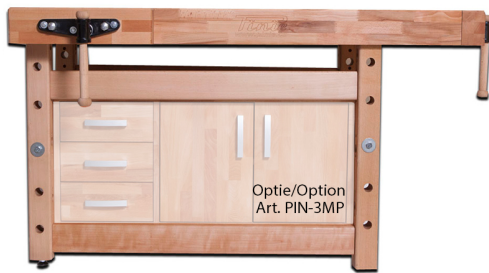

€2 .237,72 (excl. VAT)

Heavy duty massif beech workbench with a surface of 120mm thickness. The ideal workbench for the professional woodworker or for your workplace at home. The workbench is equipped standard with two cast-iron, double spindle vices. This double spindle ensures that the vice is always tightened accurately and evenly. The entire workbench is already oiled upon delivery. The package includes a pair of professional dural bench dogs (Ø19mm). Fixed working height of 900mm. Tailor-made storage cabinets for mounting in the underframe available separately.
