

WOODEN WORKBENCH SCHOOL SERIES FIXED HEIGHT 850MM - FOUR WORK POSITIONS

€1 .749,57 (excl. VAT)

Heavy-duty solid beech workbench with a working surface of 80mm thickness. The workbench was developed specifically for use in schools. For this purpose, the workbench is equipped with four workstations, each with its own vice. The entire workbench is already oiled upon delivery. The standard package of this workbench includes four pairs of bench dogs (Ø19mm) in full steel. Fixed working height of 850mm, ideal for children or adolescents. The School Series workbenches are also available with a metal base that is adjustable in height.

On request, this workbench is also available for left-handers. Please let us know when you place your order so that we can provide you with a custom-made workbench.
